

Your Passport to the Arts!

Arts Explore! is a one-week, all day, fine arts summer camp for students entering second grade through seventh grade.

Students will experience and develop an appreciation of a culture under the guidance of professional instructors, artists and docents in the areas of music, drama, movement, visual art, and games.

Campers will attend classes of the five disciplines each day. Arts Explore! classes are designed to be small so students can participate in and enjoy the experience. The free summer school lunch program is available to all attendees or they may bring their lunch.

Enrollment is limited!

Enrollment is \$75.00 per student.

Matching grants courtesy of the Oklahoma Arts Council enables Arts Explore! to offer camp at this affordable cost.

A **limited** number of scholarships are available for students who qualify financially. E-mail Sapulpa Arts for more information at sheri@sapulpaarts.com.

Sponsorship is provided by Sapulpa Arts with assistance from the Oklahoma Arts Council, National Endowment for the Arts and Art Works.
