

WE'RE BRINGING THE BEE BACK, BABY!

UNTIL 2020,

Creek County Literacy Program, and community partners from all over Creek County came together once a year to compete in a no-holds-barred word-filled battle royale.

Folks dressed up to compete for Best Theme Costume, Bid in the Basket Auction, and more. Then, when disaster struck and we weren't able to gather, we had to cancel the bee.

Well, this year, we're bringing the bee back, and we couldn't bee more abuzz with excitement!

WHAT'S THE BUZZ?

The Annual Spelling Bee is a fun-filled event created to raise awareness about literacy, and to support Creek County Literacy Program. Teams of 3 members compete by correctly spelling words and winners advance to the Ultimate Stinger Round.

If your company can't send a team, CCLP will select a team from a local school or 501c3 non-profit organization to represent your organization. No effort is required on your part, and your donation will still help support the fight against low literacy and illiteracy.

Funds raised will be used to provide learning materials, resources, and assistance for adults and children in our community working to improve their basic reading and writing skills.

The 2025 Spelling Bee Theme is:

HIVE RULES:

Trophies are awarded for:

Best Team Name, Best Theme Costume,
Best Team Spirit, and Best Spellers.

These will be presented at the end of the evening.

Each team consists of three (3) members.

Once the judge announces the word, teams are given 30 seconds to confer and spell the word.

The team writes the word on the marker board and gives the board to the monitor at their table. One point for each correct letter is awarded up to any missed letter. Once a wrong letter is written, the rest of the letters in that word don't count for points, even if they're correct.,

After an allotted number of words are given points are tallied and the top team from each category advances to the "Ultimate Stinger Round."

Teams may purchase up to two Mulligans* which they may use to skip a word. The team is awarded full points for a word skipped with a Mulligan.

*Mulligans are \$20 each. Limit of 2 per team.
